ANOTHER SQUEALING PEST

Some time ago a Tonopah chauffeur purchased a horn that was an exact imitation on a small scale of the fire department's siren. It was the occasion of much worry on the part of property holders, as well as members of the paid and volunteer fire department, when they heard the signal which had been accustomed to mean that something was afoot and the boys were on their way to put it out. When the owner of the siren was approached by the chief and requested to cease the use of the horn, he did so willingly, but now another fellow has bought one and goes tearing up and down the streets trying to look like a fire department. He should throw away the siren without being requested to do so.

ORIGINAL PACKAGE TO REOPEN TOMORROW

The Original Package saloon, one of the landmarks of the town, which was recently closed for alterations, after having been purchased by Charles Enquist, will be opened tomorrow evening, when refreshments and good cheer will be dispensed. Mr. Enquist is one of the old time caterers in the wet goods line in this city and he has more friends than he could get into his house if it were many times as large. He has made a number of alterations and improvements, so that the O. P. will present a very attractive appearance when the doors are opened. All are invited to be present.

BATTLING JACK IN A FIGHTING POSE

FEATHERWEIGHT WHO WILL MEET EDDIE McAUILLIFFE AT THE AIRDOME

Jack Bratton is one of the hardest hitting featherweights in the ring. He boxes ten rounds with Eddie McAuliffe, the Goldfield whirlwind, at the Airdome, Friday evening, November 5.

12. Bratton, who has been seen in action here several times, always gives the fans a run for their money. Another good 10-round bout between Bert Wagner and Dan Mathews will open the show, which is about the best yet staged by the Business Men's Athletic Club.

MINE AND RAILWAY OFFICIALS COMING

W. D. Forster, superintendent and traffic manager of the Tonopah & Goldfield Railway company, passed through Tonopah this morning in the private car Mizpah, on his way to Hazen, where he will meet a distinguished party of officials in both the railway and the Tonopah Mining company, as well as in the Wonder Mining company, a subsidiary of the latter.

Their visit will be for inspection purposes. Included in the party will be Charles S. Miller, governor of Delaware; M. B. Cutter, Minneapolis, president of the Tonopah & Goldfield Railway company; C. A. Higbee, Philadelphia, secretary and treasurer of the Tonopah Mining company; J. S. Austin, Philadelphia, president of the Tonopah Mining company, and Samuel Bell Jr., also of Philadelphia, director of the Tonopah Mining company.

MISS HITCHCOCK IS THE FIRST TO ENTER

W. L. James, business manager of the Nevada Film Co., Inc., of Tonopah, reported to the Bonanza that he had received the opening ballots for the popularity contest which credits Miss Francis Hitchcock as the first entry with 100 votes to her credit. Mr. James stated that several inquiries had been made of him regarding the coupons and the votes. He states for the benefit of those interested that as many coupons of the date of issue that anyone desires to send in will be counted as 50 votes each. For instance if 10 coupons are received for a choice she will be credited with 500 votes. Get busy and gather the coupons and help elect your choice to a possible screen star. Start today.

SHIELDED BY PARENTS' PROMINENCE

The telltale fingerprints left upon the face of a safe in the office of the Anderson garage, Reno, which he was attempting to rifle last Sunday night, has caused the identification of a Reno youth as the man who attempted to relieve the safe of its contents, but abandoned his undertaking, presumably because the metal of the strong box was too tough for the drill he used. When confronted with the evidence the young man broke down and confessed his guilt, but on account of the prominence of his family the officers have refused to reveal his name.

BRANCH OF MURRAY SHOWS EXCELLENT ORE

TONOPAH EXTENSION ESTATE IS STEADILY AUGMENTING ITS RESERVES

One hundred and fifty feet west of the No. 2 shaft of the Tonopah Extension on the 1350 level the drift encountered a juncture with a branch of the Murray vein, which has been drifted on for a distance of 250 feet. It shows from two to six feet of very good ore. All other workings of the Extension that are in ore are showing up in splendid shape and the development work is being produced without reducing the ore reserves that are constantly being augmented.

Ore extraction and development work are taking place in both the Victor and Merger territory. In the former the drift is being rapidly advanced toward the Cash Boy line, where connection will be made for air, as well as ore from the North Merger vein extracted on the way.

ROUGH HOUSE AT THE DUNBAR SOCIAL CLUB

LITERARY SOCIETY MEETS AND IS LATER SEPARATED BY THE POLICE

The Dunbar Literary society, an organization formed to honor the memory of the late John Lawrence Dunbar, had a grand opening last night. This is an association of colored people for moral and social uplift and a little card game on the side.

At midnight D. Morris accidentally shot his brother, Schuyler Morris, in the leg. Lee Bell got hit over the head with a billiard cue and sustained a bad scalp wound. D. Morris was hit in the mouth with some sharp instrument, presumably used ordinarily for removing hirsute appendages, and the others present got off with minor injuries, some of the most aggressive being put in hook by the police. Otherwise the evening passed off very pleasantly and Dunbar, who died some ten years ago, will be disappointed in not hearing of the acclaim that was given him when all glasses were lifted and his eulogy was expressed.

BISHOP PLAYERS TO ARRIVE THIS EVENING

THE FOOTBALL GAME WILL BE PLAYED TOMORROW AFTER-NOON AT 3 O'CLOCK

Twenty husky young lads from Bishop, Cal., are due in Tonopah this evening and immediately they arrive a committee of high school boys and girls will meet them and distribute them among the families of Tonopah, where they will live during their stay in the city.

The game tomorrow is to be called at 3 p. m. sharp and all who wish to see the fray from the first whistle will do well to come early. Admission tags may be obtained from all high school students and upon the streets tonight, when an active campaign will be waged.

Next Friday morning the boys leave for Reno, where they will play Reno high school, and perhaps the Indian school at Stewart.

BUTLER THEATER

Theda Bara, Jean Sothern and William Shay in "The Two Orphans," a \$200,000 screen production of the drama that has thrilled millions, will be the feature at the Butler this evening. "The Two Orphans" has long been known as a classic of the stage, but now, as pictured for William Fox, it is seen in a new form. Adolph D'Ennery, the author of this world-famous drama, would hardly recognize his play as produced for the screen, so vital and virile a thing has it become through the skilled direction of Herbert Brenon and the wonderful work of skilled camera work and production. The picture is complete in every detail—expense being no object, and as an example of the lengths to which producers will go nowadays to secure absolute realism. In the banquet scene in "The Two Orphans," Director Brenon wanted the real thing, so George Andres, the maître-d'hôtel of Rector's, was summoned, and ordered to serve a banquet for 200 guests. The banquet cost exactly \$15 a plate without the champagne, which was also the real thing and disappeared before the appetite of 200 "extras" with remarkable swiftness. The preliminary reel will be Pathe Weekly, which will open the show at 7 prompt. Tomorrow, Charlie Chaplin, the highest priced comedian in the world, in a two-reel Essanay comedy, "The Bank," in which Mr. Chaplin has put his best efforts. Also "The Climbers," a five-reel Big Four feature.—Adv.
